

## Apollo Series

Cardinal is excited to offer the unique styling of our Apollo Series. These luxurious Sliding Door Enclosures feature details that echo the beauty of traditional architecture: thick crown moldings, fluted door jambs, and handles that resemble the turned wood details of fine furniture. These units can be used with 1/4" glass, or can be upgraded to 3/8" glass for a substantial look. All Apollo units feature traditionally styled through-the-glass towel bars, handles and/or pulls.

### **1/4" or 3/16" Semi-Frameless Sliding Door Enclosure**
